The 7th Sin City Chamber HOLIDAY PARTY

Wayne, Loretta & Treasures GM, Alson Lee

Holiday Party Goers

The 7th Annual Sin City Chamber's Holiday Party was held at the beautiful gentlemen's club, Treasures, in the upstairs VIP room. The food, as always, was delicious, prepared by their famed Steak House Restaurant. We wish to thank the over 100 guests that contributed toys for the annual toy drive. The recipients of the toys were very grateful to be able to provide some Christmas cheer to underprivileged Las Vegas children.

2012 – THE YEAR OF THE DRAGON IN CHINESE ASTROLOGY.

All around the world the past years have been difficult, personally and in business. So the good luck of the Dragon is sorely needed everywhere and the Dragon years are always welcomed with joy. The year actually started on February 4th. The Dragon is the major symbol of good fortune in Chinese Astrology. According to tradition, the Dragon brings in the Four Blessings of the East: wealth, virtue, harmony and longevity. We can expect a lot to happen this year. There will be spectacular successes as well as explosive failures. Since the Dragon is associated with Spring, you need to get off to a fast start in 2012 as things are going to start to happen early in the year. Ideas will flow, creativity abounds, economies boom, and love blossoms in this environment. There will also be significant upheavals, soaring stock markets, natural disasters, and noteworthy, cultural and political developments. There will be celebrations of all kinds. But good luck is on the way. Are you ready for the Year of the Dragon?

forward to seeing our group grow and hope to share updates, ideas and information with you daily.

LAUGH & THE WORLD
LAUGHES WITH YOU...

Valentine's Day Revisited:

***You have two choices in life:
You can stay single and be miserable, or

***At a cocktail party, one woman said to

wedding ring on the wrong finger?'
'Yes, I am. I married the wrong man.'

***A lady inserted an ad in the classifieds: "Husband Wanted". Next day she received a hundred letters. They all said the same thing: "You can have mine."

***When a woman steals your husband, there is no better revenge than to let her keep him...

***A woman is incomplete until she is married--and then she's finished.....

***A little boy asked his father, 'Daddy, how much does it cost to get married?' Father replied, 'I don't know yet son, I'm still paying...'

***A young son asked, 'Is it true Dad, that in some parts of Africa a man doesn't know his wife until he marries her?' Dad replied, 'That happens in every country, son...'

***Just think, if it weren't for marriage, men would go through life thinking they had no faults at all...

HOPE EVERYONE HAD A LOVERLY VALENTINES DAY!

HAVE A HAPPY SPRING!

Las Vegas' Dirty Little Secret...

Shhhhhh. Don't tell anyone. But Las Vegas has a secret. It is loaded with ^{bedbugs}. That's right ^{bedbugs}! Can you believe that? WHAT???? OK, it's... *bed bugs*.

Some of the best hotels in town are fighting this age old problem. And it is not just in the hotels. Many homes and apartments, even in some in the best neighborhoods in town, are infested with this hardy little creature and traditional exterminating methods do not work to eradicate these pests.

"Bed Bugs are a very tough infestation to combat", says Steve Rozek, owner All-Pro Pest Control of Las Vegas and Sin City Chamber Member. "However, utilizing a bed bug dog to detect the infested areas makes our job much easier. By using a trained bed bug dog, the right chemical application and the use of steam ensures an effective solution. This is what Action Bed Bug Dogs have been doing for the past 5 years back east. Now Las Vegas has this expertise and we will deliver the same impeccable service."

Because of our alliance with Action Bed Bug Dogs of New Jersey, we are thrilled to announce that Rex the Bed Bug Dog has moved to Las Vegas and is working with All Pro Pest Control in the Las Vegas Area.

Rex, a black lab mix, was rescued from an animal shelter, trained by a Master Trainer, and certified to detect bed bugs. Over the past 3 year, Rex has completed thousands of inspections in the New Jersey, New York, and Pennsylvania Areas for major hotels, Fortune 500 companies, movie theaters, housing authorities, nursing homes and care facilities, as well as, retail stores and residential homes.

Rex is a media darling and was featured on Animal Planet's Bed Bug Apocalypse on August 17th and 24th, 2011. In addition, Rex has also been featured on NBC's Today Show, Fox News in Philly, and NPR's All Thing Considered. Now he will be happy to work for YOU.

If you suspect that you, or anyone else you may know, may have a bed bug problem, or any pest problem for that matter, contact Steve, at All Pro Pest Control at 702-326-1961 for more information. The inspection is discreet and cost effective. You can also email them at:

info@allpropestcontrolvegas.com.

Family owned and quality control oriented, All-Pro Pest Control is your true source for dependable pest extermination. All-Pro's Professional Exterminators receive on-going training on Local, State, and National procedures and laws. All-Pro technicians follow the Integrated Pest Management methodology to provide you with the most effective pest control solution possible. All-Pro features Action Bed Bug Dogs and delivers prompt and professional service to businesses and home owners while adhering to all EPA Laws and Safety Regulations. Our highly trained staff consists of qualified service technicians and service managers that are dedicated to customer service and professional care.
